

## René Arce Lozano

Partner  
Monterrey

### Biography

René Arce Lozano collaborates with financial institutions, public entities, and rating agencies on regulatory and corporate matters and has a well-established mergers and acquisition (M&A) practice. His work in structured finance transactions has been recognized by legal publications around the world. René counsels clients in structured finance transactions, securitizations, project finance, and public-private partnerships in the public and private sectors.

He has structured several transactions that finance state infrastructure projects for more than MXN\$7,000 million. Additionally, René represents investors in foreign direct investment transactions in Mexico.

René received the licenciatura en derecho (J.D. equivalent) from the Facultad Libre de Derecho de Monterrey and an LL.M. in international business law from the Washington College of Law, American University. René is licensed to practice in Mexico and in the State of New York.

### Representative experience

Has been the lead attorney in several corporate structured transactions for more than MXN\$5,000M for the development of commercial centers.
