Biography

Sándor Békési is a partner in the Budapest office.

Sándor brings a real solution orientated approach to his work for clients. His problem solving skills have ensured that many a deal has got over the line. He has vast experience in advising multinational corporations and investors on M&A projects and other corporate matters, while his main areas of focus covers cross-border and local banking and finance, real estate matters and public projects.

Sándor also advises on contentious matters in these fields. Sándor worked in the firm's London office early in his career; this has enabled him to give his clients an international perspective.

He is described by clients in the legal directories as “reliable, high quality, responsive and good value for money” with a “... good working knowledge of industry related aspects such as tax and finance”.
