

James Doyle

Partner

London

Biography

James Doyle heads our global debt capital markets practice. He provides a wide spectrum of advice, primarily focusing on derivatives and structured finance. This includes assisting clients with sophisticated financial products, including securitised derivatives, repackagings, funding structures, and associated regulatory advice. James works with financial institutions, government agencies, corporates, asset managers, and funds across the world.

Representative experience

Advising BNP Paribas on structured commodities transactions, including prepaid forward transactions and hedging for borrowing base lending transactions.

Advising a leading global investment bank on a structured financing linked to precious metals using a mixture of prepaid forwards and other derivatives instruments.

Advising a number of financial institutions on the acquisition or disposal of portfolios of commodity derivatives as part of strategic asset sales.

Advising UK Export Finance (ECGD) as guarantor as part of a structured financing of aviation assets.

Advising a syndicate of lenders on a hedging policy linked to an offtake agreement with an oil producer in
