

Richard T. Horan, Jr.

Partner

Northern Virginia

Biography

In his almost three decades at Hogan Lovells, Richard Horan has handled more than 150 public and private merger and acquisition transactions. A member of the firm's global Mergers and Acquisitions leadership team as well as the steering committee for the Automotive industry group and a senior adviser of the Aerospace and Defense group, Richard has also previously chaired the practice's Mergers and Acquisitions Coordinating Committee.

Richard represents public and private companies in many sectors, with particular emphasis on regulated industries. His broad transactional background includes matters for clients in the automotive, defense, government contracts, communications, media, technology, diversified industrials, homeland security, and pharmaceutical and health care industries.

He also has wide-ranging experience advising clients on various acquisition structures, including public and private mergers, stock and asset purchases, divestitures, spin-offs, and auction transactions.

Richard has served on the firm's Executive Committee and is active in many nonprofit, political, and professional organizations including as a director of the Fairfax Law Foundation, a member of the Alumni Board of the James Madison University Political
