

Julian Craughan

Partner
London

Biography

Julian Craughan is part of the Structured Finance group based in London. He has extensive experience in securitisations and structured finance transactions. He advises lenders, arrangers and originators on asset backed financings and securitisations of various asset classes including retail automotive receivables (including personal contract plan (PCP) and standard hire purchase), lease receivables, dealer floorplan receivables, consumer receivables, trade receivables, commercial mortgages, residential mortgages and infrastructure assets.

Julian is recognised in Chambers UK and Legal 500 UK as a leading individual for securitisation.

Representative experience

Advising the lender on £200m private securitization of UK automotive hire purchase receivables as part of the acquisition of an origination and servicing platform.
