

Philip Robb

Partner
London

Biography

Philip Robb heads our global Infrastructure, Energy, Resources & Projects (IERP) practice. For more than 25 years, Philip's practice has grown and diversified with the market. His focus is on the financing of infrastructure, energy and major projects. Philip helps clients structure and close financings across a range of sectors and jurisdictions. These include project financings, infrastructure & energy acquisitions, re-financings, renewables financings, fund financings, corporate facilities and secondary markets work. As head of the practice, Philip leads an award-winning, global team that is at the front of the market across the IERP sectors.
