

Reza Mulligan

Counsel

Paris

London

Biography

Reza Mulligan is a dual-qualified counsel in the International Debt Capital Markets team in Paris and London. Reza has a strong practice in automotive-related financing, energy-related lending and innovative finance and banking transactions. He is a transactional lawyer who has lived in Paris for over 10 years and regularly advises leading French and UK financial institutions and corporates on pan-European transactions.

He advises on the full range of capital markets and finance transactions including structured finance, project and acquisition finance, securitisations, issues of debt securities and multi-jurisdictional public offerings of debt and equity.

Reza is fluent in English and French.

Representative experience

ALSTOM in respect of its financings in light of its €9.7bn sale of its energy business to General Electric.
