

Real Estate Tax and REITs

The real estate and REIT tax matters on your plate are increasingly complex. Multijurisdictional. Cross border. You need to keep up with recent reforms and best practices to stay competitive and cost-efficient.

Tax advisers at Hogan Lovells work with you on these matters. We're creative and bold, but always pragmatic. We help public and private real estate companies at the highest level. Together with you, we structure the most tax-efficient real estate transactions. Take the formation, operation, and liquidation of REITs and UPREITs, a structure Hogan Lovells pioneered. With our team, you can navigate real estate and REIT tax matters with confidence.
